As part of the survey to monitor graduates' integration from public and private Technical and Vocational Education and Training (TVET) institutions, **CIBLE ETUDES ET CONSEIL** will be working in the country's ten regions on behalf of the Secondary Education and Skills Development Project (SESDP) from the date of signature of this announcement. This activity will be conducted under the close supervision of the Ministry of Employment and Vocational Training (MINEFOP) and the Ministry of Secondary Education (MINESEC).

The Minister of Employment and Vocational Training and the Minister of Secondary Education would like to use this opportunity to invite all partners involving companies and heads of training and education institutions under MINEFOP, MINESEC, MINEPIA and MINADER in the agro-industry, digital, energy and public works sectors in the ten regions, to promptly complete the questionnaires that will be provided and return them to the firm concerned.
