ANNOUNCEMENT

The General Coordinator of the Secondary Education and Skills Development Project (SESDP) hereby informs beneficiary institutions of the support provided under Windows 2 and 3 of the Skills Development Facilities, as well as proposed training providers, and relevant stakeholders, that **FISCAGEST CONSULTING AND CONTRACTOR** has been selected to re-conduct the DUE DILIGENCE process for the training providers recommended by the beneficiary institutions. The Firm will mobilise its teams to the field from **10 to 25 February 2025** for a comprehensive assessment of the sustainability of training facilities and evaluation of the training providers' ability to effectively provide the assigned training.

This will involve a thorough examination to ensure adequate infrastructure, equipment, and teaching materials, as well as qualified and experienced training staff to meet the Project's quality requirements.

Accordingly, the General Coordinator requests the concerned training providers to make themselves available to facilitate the firm's activities.

The Coordinator General
